

Keystone Theatrics, the Playhouse at Allenberry Resort's in-house production company, is so much more than what you see on the stage. Ticket sales cover only a portion of the funds needed to ensure the continued excellence of our theatrical productions and educational opportunities for artists of all ages. Like all non-profit 501(c)(3) theatres, we must raise a significant percentage of our budget from corporations, foundations, agencies, and individuals who value the arts and understand their importance in our community.

This holiday season, Keystone Theatrics is reaching out to our supportive community to help keep our artistic standards high and provide meaningful experiences for new generations of theatre-goers. We are also looking for funds to purchase and install a new traveler curtain. The Playhouse at Allenberry Angels program provides individuals and families the opportunity to help make a difference by offering a charitable gift during the holiday season.
